EDUCATION

Fr. Conceição Rodrigues College of Engineering

B.E Computer Engineering

08/2017 – Present

Current GPA : 9.7

St Xavier's College

HSC, Science

06/2015 – 05/2017

Percent obtained : 85.23%

St Blaise High School

SSC

04/2015

Percent Obtained : 91.80%

WORK EXPERIENCE

Machine Learning Intern

Cloud Counselage

02/2020 – Present

Mumbai

Achievements/Tasks

- Currently working on their live project
- Build a color classifier using tensorflow

Web Developer Intern

Fr. Conceição Rodrigues College of Engineering

12/2019 – 02/2020

Mumbai

Achievements/Tasks

- Build a web application to automate the training placement process in the college.

SKILLS

Python

Java

Javascript

C

HTML

CSS

Numpy

Pandas

Plotly

Rasa

Tensorflow

Node

React

MongoDB

SQL

PERSONAL PROJECTS

Corona Bot

- A bot designed in rasa and currently deployed on telegram to give live updates on the current cases in India
